#### **CEFLA CONFIRM: WE WILL BE AT XYLEXPO 2016**

**Cefla Finishing Group** will be back to Xylexpo also in 2016. Another significant participation at the next edition of the biennial international exhibition of woodworking technology and furniture industry supplies, to be held on **24-28 May 2016 at FieraMilano-Rho**.

*“Cefla will be exhibiting at **Xylexpo**, the most important trade fair for woodworking machinery in 2016”, said **Alberto Maestri**, Managing Director of Cefla Finishing Group.*

*“Our country has always boasted exceptional innovation skills in all processes related to furniture and interior decorations, from design to manufacturing, representing a source of inspiration for the international markets. It is not mere chance that Italy is the country of origin of some of the leading industrial organizations in woodworking and finishing technology; as a result, **Xylexpo** is an event that offers huge potential, recording constant development and growth with an increasingly global scope”.*

*“These are important signals indicating positive feedback from the industry”, said **Lorenzo Primultini**, president of the exhibition and Acimall, the Confindustria-member association that represents the entire industry, commenting upon Maestri's statement. “Xylexpo is a historical event, a reference for the woodworking industry, and the next edition will strongly reaffirm this role, also based on the participation of major international actors such as Cefla”.*
